KEY

BLACK indicates a standard hike.

BLUE indicates a Snowshoeing event.

RED indicates a Mountain-Climbing event; no special gear is required, but these are the more difficult hikes.

[**U-Lead-It**] hikes are placeholder dates for other club members to volunteer a location and lead a group hike; flyers/advertisement provided by club organizer.

* indicates a hike outside of the Pikes Peak region which may involve an overnight stay (participants arrange their own travel and lodging)

NOTES

Schedule subject to change, especially for weather.

Details of each hike, including meeting times and locations, will be sent a few days prior to each hike.

Dogs permitted on most hikes, exceptions noted on hike details--please keep dogs on leash at all times.

Please read Hiking Club Rules found in the club newsletter; know your own limits for hike difficulty.

Respect nature and each other--Have Fun !

RATINGS

Hike ratings are shown in brackets [] on each event. Hikes are rated for difficulty based on overall distance, altitude, climbing involved, and terrain difficulty.

1-3: EASY - casual walks, can be attempted by most members

4-6: MODERATE - longer routes or with difficult terrain; for more experienced hikers

7-10: DIFFICULT - long hikes, usually involving lots of climbing; for fit and experienced hikers only

Current as of: 07/12/2025
